(970) 669-2294 ~ www.thecactusgrille.com

The Cactus has created a special addition to provide a private room for friends, family, and colleagues to meet and enjoy themselves in a fun atmosphere with wonderful food and excellent service.

FACILITY AND ADDITIONAL SERVICES

Our Private Party Room comfortably seats up to 60 people. We promise that we will do everything possible to ensure that you and your guests have a great time and we are here to assist in any needs to facilitate your planning. Our room is equipped for multi-media presentations including a DVD/VCR, large drop down screen, an LCD data/video projector, and wireless hi-speed internet access. We also have a laser pointer, a microphone, and a podium to suit your needs. These items are available for your use at no additional cost when you reserve the Tequila Room. The audio in this room can also be zoned so your group can enjoy a video presentation or your favorite musical selections.

We work with local businesses that can provide other items to make your social event or business meeting memorable. The following is a partial list of details that we can assist you with for a nominal charge:

- ◊ Flower arrangements
- ◊ Musicians
- ◊ Cake design
- ◊ Overhead/slide projectors
- ◊ Flipcharts/Easels

Please allow The Cactus the opportunity to assist you with any detail for your event. Our goal is to make you and your guests completely satisfied.

PRIVATE PARTY MENU OPTIONS

We want to be as accommodating as possible and will do anything possible to make your event a success. If you don't see a menu option that works for you, let us know and we will work out your every need. We are very well versed in cooking and can create any type of food that you are craving from Turkey Dinner to an Italian Feast!

FULL MENU

The first dining option we offer is the **Full Menu** approach. This is where your guests are allowed to choose off of our entire lunch or dinner menu. You can pre-order appetizers, salads, and/or desserts to complement the meal. The full menu is limited to a maximum group size of 25 guests.

LIMITED MENU

For groups over 25 guests where you want them to choose their entrée we can offer a limited menu with 3-6 selections to choose from. This facilitates service and food production to give your guests the best experience. We will work with you to help you offer your guests your favorite meals from The Cactus.

FAMILY STYLE MENU

The **Family Style** approach is a great compliment to private dining as we provide guests with many different platter-sized dishes to pass around the table to share and enjoy together. This menu includes a pre-determined number of appetizers, salads, entrees and desserts with pricing based on the specific choices. A family-style meal offers your guests a more diverse dining experience while fostering relationships.

BUFFET STYLE

Another great option is **Buffet Style**. This option is ideal when more mingling is involved or when there are time constraints. You choose the items for your buffet and we will take care of the rest! You are welcome to add appetizers and desserts and make any substitutions.

RECEPTION STYLE

Reception Style is perfect for large groups or casual parties. This is where you choose appetizer-sized items and are priced on a per piece basis. Your guests relax and mingle while our staff either serves them directly from trays carried throughout the room or arranges items on a display table.

BAR OPTIONS

Again, flexibility is our main goal. You can choose from a private bar within the room with limited selections varying on your budget, a fully open bar, a limited open bar with limited selections (such as beer and wine) or limited quantities per person. We are also happy to have a cash bar where guests pay for their own cocktails.

No matter what style of service is most appropriate for your party, dinner gathering or business function, The Cactus is excited to make your event memorable.
